## NEWS / UPDATE

- ◇ **Our Sunday morning services at 10 am are now being recorded digitally and are available on our webpage. Due to the size of the file it is necessary to delete some parts of the service before posting it online. Your feedback is most welcome as we embark on this exciting project. Please contact the office with your comments.**
- ◇ **We are working on a Parish Calendar which would include all events for the September 2010 to June 2011 time frame. Please notify the church office of all upcoming events that your group has planned for the coming year. You are welcome to send an email or leave a message on the church answering machine at any time.**
- ◇ **We have incurred several significant expenses in the past several months and it is important for all of us to be aware of these operating costs. The church roof is going to be insulated (to help manage the rising costs of electric heating);**

**The church property has been surveyed so that we know where our church property lines are;**

**The office photocopier has been replaced as parts were no longer available for the old copier to be repaired.**

**Your special donation** to offset any of these costs would be gratefully received. Offering envelopes should be clearly marked to designate where your special donation is to be directed.
