### **Holy Trinity Church Making Holidays Bright**

**Pembroke, December 5, 2011** – The congregation of Holy Trinity Anglican Church is getting into the Christmas spirit in a big way again this year, sharing their good fortune with two community organizations intent on making the holidays a joyful time for everyone.

This past Sunday their annual Food Auction generated lots of interest from bidders keen to enjoy the tasty baked goodies donated by parishioners. ‘Bidding is always lots of fun and everyone is very generous because they know that proceeds go to a very worthy cause,’ said John Hanson, who acted as this year’s auctioneer along with Gary Severin. More than \$970 was raised from the sale of delicious homemade cakes, cookies, pies and preserves, all of which will be donated to St. Joseph’s Food Bank. The Holly Bazaar Committee has also designated a further \$300 donation for the food bank.

In addition, this also marked White Gift Sunday for the church. Donations of wrapped toys and money will be going to the Salvation Army to assist them in filling their Christmas gift baskets. ‘The Salvation Army does a wonderful job of helping families that might need a bit of help during the holiday season and it is a joy to share with them in this blessing’, said Reverend Rob Davis.
